This guide provides information about our advisers including their contact details, qualifications, experience, the services they may offer and financial products they can provide advice on.

Our team

We have a dedicated team of advisers, paraplanners and support staff to help deliver quality financial planning services to you.

Attached to this document is your adviser's profile. The profile contains information about your adviser; their contact details, qualifications, experience and any memberships they may hold. It also outlines the types of advice, strategies and products about which your adviser can provide advice as well as the fees charged for their services.

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process, to capture each stage of your advice journey. We may provide these documents to you, electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others, will receive as a result of the advice we have provided.

If we provide further personal advice, a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you, we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Our advice and services

We can provide you with personal and general advice about specific services and financial products listed below. We can also arrange for financial products to be issued without advice from us.

Individual advisers within our practice may not be qualified to provide advice in all of the services and products noted below. Their individual profile guides will note any limitations to the advice they are qualified to provide. At all times we will ensure the appropriate adviser is available to you to provide advice consistent with your goals.

The following table sets out the areas of advice we can help you with as well as the products and services we can arrange.

Any additional advice or services we can offer you, or limitations to the list below, will be outlined in **Our Financial Advisers and Credit Advisers** on page 8.

We can provide advice on

- Investments strategies (strategic asset allocation)
- Budget and cash flow management
- Debt management (including borrowing for personal and investment purposes)
- Salary packaging
- Superannuation strategies and retirement planning

Charter maintains an approved products and services list, which includes products issued by AMP companies and a diversified selection of approved Australian and International fund managers. These have been researched by external research houses as well as our in-house research team.

Charter periodically reviews these products to ensure that they remain competitive with similar products that address similar client needs and objectives. Generally, we recommend products that are on the approved products and services list. However, if appropriate for your needs, we may, subject to Charter's approval, recommend other products.

A copy of the approved products and services list can be supplied to you upon request.

If we recommend a new platform or portfolio administration service, we use those issued or promoted by the AMP Group or as otherwise approved by Charter and where appropriate to your circumstances.

As at March 2018, the lenders and lessors whose products are most commonly recommended by Accredited Mortgage Consultants authorised by Charter are:

Lenders

Tax implications of our advice

Under the Tax Agent Services Act 2009, Cambridge Private Wealth Pty Ltd is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

Our preferred method of payment is by an agreed fee. The actual fee charged to you will depend on the nature of the advice or service I provide. I will discuss and agree the actual fees with you before I proceed. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions; and
- Ongoing commission - a percentage of the value of your investment balance, usually calculated at the end of each month in which you hold the investment.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment

All fees and commissions will be paid directly to Charter as the licensee. They retain an amount (a licensee fee) to cover their licensee costs and the balance is passed on to us. The amount is determined annually, based on a number of factors, including our business revenue and the number of advisers in the practice.

For details of our service fees, see our Schedule of fees below.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance. These benefits are paid at the licensee's discretion and the amounts are set by the licensee from time to time (usually on an annual basis).

We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

We may qualify to receive a DMA to recognise our growth and professionalism. The DMA is based on a rate, calculated once per year, and determined by our ranking relative to other Charter Financial Planning practices. Up to 50% of all Charter Financial Planning practices may qualify for DMA payments. The rate may range from 0% to 3.25%, depending on our ranking. It is then applied to our practice revenue of the prior year and paid to us in two instalments a year.

For example, if our DMA is set at 1% and our revenue for the prior year was \$200,000, we would receive a total of \$2,000 for that year, paid over two instalments.

How our performance is ranked

Ranking of practices is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the Charter Financial Planning network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

Value participation scheme

AMP will provide us a cash payment based on the total value of in force annual premiums on insurance products and funds under management in some AMP products provided the annual premiums and funds under management exceed set thresholds. The amount paid is based on the following:

- A tiered rate of up to 3% is applied incrementally to total premiums on some AMP insurance products that exceed the thresholds. For example, if our clients pay a combined annual premium of \$450,000 for insurance with AMP, we may receive an annual payment of up to \$3,700, with the rate applied dependant on the total combined premium.
- A tiered rate of up to 0.2% is applied incrementally to the proportion of total funds under management in AMP wealth management products that exceed the thresholds. For example, if our clients have invested over \$50,000,000 in qualifying products and a new client invests \$40,000,000 into an AMP product we may receive up to \$30,000 in respect of that specific investment. The rate applied is dependent on the total qualifying funds under management.

From 1 July 2014, all investments in AMP wealth management products by new clients have been excluded from the scheme.

From 1 January 2018, all premium for new policies from the relevant AMP insurance products have been excluded from the scheme.

Buy out option

If we leave the financial services industry, we are eligible to sell the register rights of our client base to Charter Financial Planning Limited. The valuation of these rights is based on a multiple of the annual financial planning revenue generated by our practice.

Personal and professional development

Charter provides personal and professional development opportunities in the form of a multi-tiered development program, offered annually to qualifying practices.

Summit

The Summit is a national convention available to advisers from all Charter practices. Charter subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

Charter Leaders program

Certain practices that meet the qualification criteria on an annual basis will be eligible to participate in the Charter Leaders program, a set of personal and professional development programs organised by Charter. The qualification criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in Charter. If a practice qualifies for the Charter Leaders program, Charter will subsidise the cost of their participation up to a maximum value of \$10,000 per annum per practice.

Business Support

We might receive financial assistance including subsidies or reimbursements for accounting, legal and bank fees; marketing or other once-off transitional support costs, to help us grow our business or implement appropriate succession planning options.

Placement fees

From time to time Charter will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Charter. We may share in this fee based on the level of participation by our clients.

Relationships and associations

It is important that you are aware of the relationships that Charter has with providers of financial services and products as they could be seen to influence the advice you receive.

Advice and services I can provide

I am authorised to provide all the services listed in the **Our advice and services** section.

I am also a Credit Representative of Charter and am authorised to provide credit advice regarding how to structure debt, suitability of existing loan structures and repayment options. If you require advice involving mortgages or other lending products, I can refer you to an Accredited Mortgage Consultant.

The cost of my advice

How I am paid

I am a director of Cambridge Private Wealth and I receive a salary from the practice.

Schedule of Fees

These prices should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice.

Initial service fees

These are fees paid when you have agreed to receive our advice:

Initial Service	Fee Amount
Initial Advice Fee	Between \$1,100 and \$5,500

If, in developing your financial plan, I identify that you have a complex situation that requires extensive planning and development, my initial advice fee may change. In this case, I will provide you with an upfront quote of the amount payable before I proceed with developing your financial plan.

The initial advice fee covers the cost of researching, implementing and preparing your financial plan.

Before providing you with initial advice I will prepare an initial advice agreement. The initial advice agreement sets out what my initial advice will cover and how much it will cost.

Ongoing service fees

We provide ongoing services to help you stay on track to meet your goals. The cost of these services are as follows:

Ongoing Service	Fee Amount
Ongoing Advice Fee	Between \$1,500 and \$15,000 per annum

My ongoing advice fees ensure your strategy and products are reviewed to help you take advantage of opportunities as they become available.

If, during my assessment of your ongoing needs, I identify that you require ongoing advice outside of my standard advice offer, my ongoing advice fee will change. In this case, I will provide you with a quote of what you will be required to pay to receive these services.

Before providing you with ongoing advice I will prepare an ongoing advice agreement.

The ongoing advice agreement will set out what my ongoing advice will cover, your payment method, and how much it will cost.

Additional advice

For additional advice, an hourly rate of \$300 is payable.

Commissions

I do not receive commissions on investments through new superannuation, managed funds or retirement products. However, some products, particularly older products, may attract commissions.

Any commission amounts will be disclosed to you when providing my advice. The following table is a guide of commissions I may receive.

Product Type	Initial commission	Ongoing commission	Example
Insurance (including those held within superannuation)	Up to 130% of the first year's premium. From 1 January 2018, commission on new policies will be limited to 88% of the first year's premium.	Up to 33% of the premium each subsequent year	In 2018, if your insurance premium was \$1,000, we would receive an initial commission of up to \$880. We would receive an ongoing commission of up to \$330.00 pa.

All fees and charges include GST.

If an agreed advice fee is charged, then we may rebate all or some of the commission.
